FROM THE Pastor's DESK

As I write this, I just came back from Garden City as I was able to be part of seeing an elderly lady baptized in the nursing home. Ms. Livingston is bedridden and has recently accepted Christ with Nathan Falco. She wanted to be baptized. When Nathan and I walked into the room this morning, she was wearing a white baptismal robe that Nathan took her from HRBC. After she was baptized, she said, "I wish I could walk all around [the facility] and let everyone see me in this robe and give me a chance to tell them that I have accepted Jesus." Wow! That was strong! That was moving! And that is New Testament kind of living!

I want to remind you of this: the main thing is to keep the main thing the main thing! May we not get distracted from being a New Testament church. Hezekiah had to grind up the bronze serpent. Let that sink in. See you Sunday.

Greg

FROM HRBC FAMILY MINISTRIES

Our kids will begin a new series in children's church this week. Every month, we get a new series. This month, it is titled "Jam Session." They'll be studying specific Bible stories of Moses in Exodus and Numbers and learning how it relates to cooperation. When we do children's church, our goal is to disciple the heart. So, we try to give really practical principles from the Bible that these kids can live. This Sunday, the kids will look at the story where Moses led the Israelite people to build God's holy tabernacle. It is a story that we often gloss over, but it can still give us application. Moses had to let everyone use their gifts. Those who could move stones, placed them properly. Those who could sew made clothes for the priests. Those who could gather supplies did so. Everyone had to use their own gifts and abilities to get the job done. God wants us to work together. We're showing kids that each passage is relevant to them and something they can live out every day.

SWATT Members Going to Billy Graham Library on Nov. 30.

We will leave church at 10am, stopping for a nice lunch first and then go to the library. At 4:30pm, we will travel to McAdenville for the tree lighting ceremony and drive up and down the main street to take us by all the houses and lake that are beautifully decorated. Depending on time, we will stop back at BGL to enjoy the Christmas lights, live nativity and those that want to can take a carriage ride. They are \$8 per person and you have to purchase tickets there. You can enjoy something from the Dairy Bar, or we can make a quick stop at a fast food spot. This schedule is subject to change as the day progresses. Firm commitments are needed for head count only. Please call or text Judy at 843-457-9267.
