## FROM THE Pastor's DESK

Upward Soccer evaluations begin today! How exciting today is! A number of people have worked tilling the crown, picking up rocks, sowing seed, watering, fertilizing, picking rocks again, installing drain pipe, cutting grass, buying soccer equipment, volunteering to help with evaluations, volunteering to coach and referee. It is exciting to see the church work together on this project. Even as I write this article, someone is outback painting stripes on the field. I'm getting chill bumps as I think about how much God has provided. Now, let's see how many children He brings this season and how many families we get to minister to in the name of Jesus. This is going to be great!

I look forward to seeing you Sunday!

## FROM HRBC FAMILY MINISTRIES

Tonight kicks off the first Upward Soccer evaluation. We will have them tonight at 5:30, Saturday at 10:30, and Tuesday at 5:30. Our mindset of this Upward league is that this is for the kingdom of God. So many kids across America get saved in an Upward Soccer league. You don't just get one week with them. You get 8 to 10 weeks to invest and build relationships with families. Some are in a church, some are not, but regardless, we want to build up families in Christ for his kingdom. Please, be in prayer as we begin this league to reach Florence for Christ.
