# PAYROLL 2.0 UPDATES

### Benefit Plans - Open Enrollment

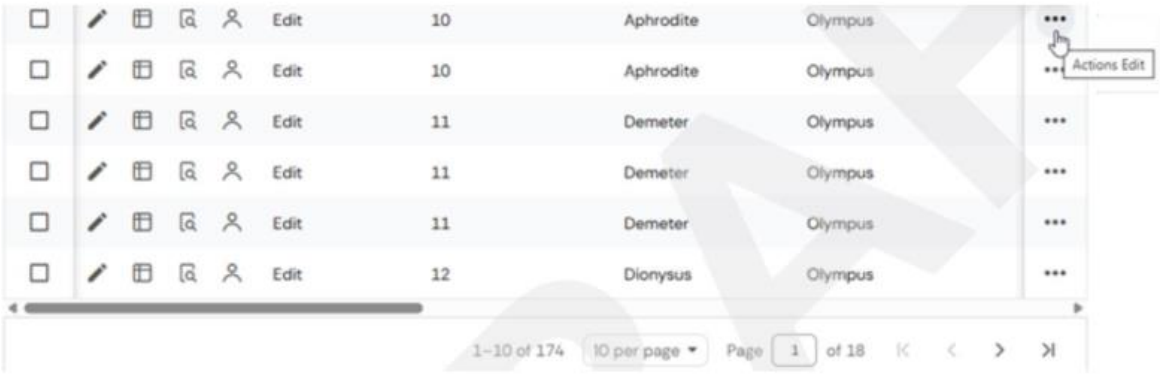
- For calendar year plans (Jan-Dec), the "ACA Eligible without benefits" open enrollment email will be sent the evening of November 2nd.

- Please provide your benefit plan documents for the new year to your payroll processor as soon as possible to allow us to begin setting up benefit plans in Payroll. This setup is a prerequisite to entering offer dates and acceptance or waivers for insurance.

### New Payroll 2.0 Experience Launched on September 25

On September 25th, new updates to Payroll 2.0 went live. These include:

- Fonts and icons have been updated for ease of use.
- The updated pagination controls for some screens and reports have moved to the bottom right in order to provide better page navigation. Some screens may also include an action bar on the right-hand side.



- The Process Payroll landing page was redesigned to a simplified payroll processing experience, with a streamlined and user-friendly interface.

*Tip: You can change the view by clicking the "Switch to old experience / Switch to new experience" buttons available at the top of the page*
