Celebrate National
PRAIRIE DAY
HELD ANNUALLY THE 1ST SATURDAY IN JUNE

TEAM UP with biologists to LEARN about and help document PLANTS and ANIMALS at the Missouri Prairie Foundation's Lordi Marker Prairie south of Sedalia, MO.

Learn about prairie plants, soil, birds, native bees, mammals, butterflies, moths, amphibians, reptiles, and more!

Field study followed by potluck dinner, free tent camping, nocturnal insect observations, and guided stargazing. Activities continue Sunday with additional field studies.

This event is supported in part by a David A. Risberg Memorial Grant from the Conservation Federation of Missouri.

WILDFLOWERS AT LORDI MARKER PRAIRIE BY WALTER MOSER

MISSOURI PRAIRIE FOUNDATION

MISSOURI PRAIRIE FOUNDATION'S 15TH ANNUAL
