WALKING WITH PURPOSE

TRI DELTA

Have you been Walking With Purpose? More than 1,000 Tri Deltas have laced up and walked, run, skated or biked during our Summer of Sisterhood. And we have almost reached our third milestone of 99,000 miles! Keep up the great work and help us hit that goal, so we can unlock another $3,000 gift to Tri Delta’s Foundation from **Herff Jones**, our official jeweler. Don’t forget to **log your miles** so we can achieve our goal of 132,000 miles by Founders’ Day!
