SCIF Education
Matching Grants Eligibility
Criteria and Application

Purpose of Matching Grants

The purpose of an Education Matching Grant is to help SCI Chapters and SCIF Chapter Sables Committees to support opportunities that further the mission of SCI/F through education projects. Education seeks to develop partnerships with like-minded organizations to maintain acceptable public attitudes on the value of hunting.
Examples of Education projects are:

Conservation or natural resource education programs
Programs for college students
Single events/activities for youth or adults
Shooting sports or outdoor recreation
Mentoring programs for inexperienced adults
Introduction to hunting programs for adults or youth

Who may apply?

SCI/F Chapters may apply for SCIF Education Matching Grants.

Eligibility

For a chapter to be eligible for this grant it must be current and compliant in its required reporting guidelines (990 in the US) and SCI/F 30% contribution as set forth by Safari Club International bylaws. Grants will be awarded only to chapters that are in compliance.

Requirements (Use as a checklist in completing the application)

- Only completed events/projects are eligible. A chapter may submit a grant request after the chapter engaged in and paid for expenses related to the event/project.
- Grant requests may not be more than 50% of a chapter's 30% contribution or 50% of total amount contributed by a chapter. Grants will be awarded by whichever is less not to exceed a total of $2,000 or current maximum allowed in a single fiscal year.
- A chapter may choose to submit more than one grant in a single fiscal year. However, total of all Education Matching Grant requests submitted in a single fiscal year cannot exceed $2,000 or current maximum allowed.
- All applications must be completely filled out; (typed or legible print) signed and includes all of the requested documents.
- If multiple applications are submitted by a chapter, each application must be submitted as a separate document.
- The chapter must complete the online Chapter Project Report for this event/project.
- There is a total limit of $10,000 in matching grants over time for any one project.
- No matching grant can be given to any political party or campaign.
- Projects completed in the previous fiscal year will be accepted. Fiscal year is July 1 – June 30.
- Any chapter applying for reimbursement for costs of educators to attend AWLS, must list the session the educator attended.

Grants Due

Education Matching Grant Applications are awarded 4 times each fiscal year. Grant applications must be submitted by the following dates: September 1, December 1, March 1 and June 1.

Documents to be submitted with the Grant Application

- Proof of payment which can be a copy of front of cancelled check(s), copy of front of check with a bank statement showing payment, itemized credit card receipt, or a thank you letter from organization receiving chapter contribution with amount of contribution listed in the letter.
- Photos and a short story about the event/project
- Evidence of media coverage (i.e. news article, chapter newsletter article, TV, radio, etc.)

Note: There will be two payment methods of matching grants:

- 1. The Chapter can directly fund the entire amount of the grant to a respective project to receive full credit for the contribution. SCI/F will then reimburse the chapter. (e.g., the Magnolia Chapter contributes $4,000 directly to the Magnolia Jr. Trap Shooting Team Program and requests $2,000 from SCI/F as reimbursement to the chapter.
- 2. SCI/F will provide a direct reimbursement to the agency, matching the chapter's grant.
