Supporting the Foundation

SCIF programs depend on the interest and support of individuals, corporations, and conservation organizations. SCIF invites participation in our projects that are vital to the nation's future by making contributions. SCIF is a tax exempt organization and has a 501(c)(3) status under the U.S. Internal Revenue Code.

Contributions are tax deductible.

Please contact us to discuss how you can attend AWLS:

Safari Club International Foundation

- Leadership components include leaders/ followers, character development and ethics, communication and the power of influence, problem solving/decision making, functional teams, and role playing a government hearing on a conservation issue
- Learn about conservation science, wildlife management and the role of hunting
- Outdoor skills learning include shooting sports, hiking, survival and low impact camping experience.

SCI Foundation Invites You to Discover American Wilderness Leadership School (AWLS)

JACKSON, WY

"This experience has been amazing. I have learned skills that I can use to make teaching conservation fun and interesting. I hope to spark the love of nature and conservation with my students. Thank you."
HLF Sponsored Teacher

www.SafariClubFoundation.org

"Two attributes of great teachers are a connection with their students and a passion for their subject area. The instructors were excellent examples of both of these qualities. They were able to take a group of geographically and age diverse students, who brought with them a sundry of perceptions of wildlife conservation and helped them reach a new level of understanding."
Idaho AWLS Graduate

AWLS West Facility and Program

AWLS Granite Creek Ranch
Jackson, Wyoming

- Fun summer programs for educators wanting to discover more about teaching conservation science, wildlife ecology, and outdoor education through classroom and outdoor hands-on learning experiences.
- Owned and operated by Safari Club International Foundation that funds and manages sustainable use conservation and education programs.
- Located 35 miles south of Jackson, Wyoming on scenic Granite Creek Ranch in the Gros Ventre Wilderness area of Bridger Teton National Forest- site established 1982.
- A 501(c)(3) Non Profit Conference Center.

Educator Program

- Eight-day workshops for adults who are educators seeking outdoor education skills and knowledge about conservation and wildlife ecology and seeking instructional materials for teaching students of all ages in the outdoors and in classrooms.
- Offered for college credit and for continuing education
- Opportunity to become a certified National Archery in the Schools Instructor

"We're excited to introduce the outdoor classroom to our students. We will also be sharing what we learned with our science teachers throughout the district, so children across the county can gain a greater appreciation for their environment through this curriculum."
South Carolina AWLS Graduates

- Learn wildlife ecology principles and hands-on instructional techniques.
- View wildlife, visit the National Elk Refuge and enjoy a white water raft trip on the Snake River.
- Visit private and public land management agencies for exposure to management policies and current environmental issues and concerns
- Explore energy and wildlife management issues on a visit to the gas fields.
