

HPVRT EMERGING LEADERS PROGRAM

Embark On Your HPV Vaccination Leadership Journey

Network with national HPV vaccination and public health leaders while gaining valuable leadership skills in the **HPV Roundtable Emerging Leader Program**. Don't sleep on this once-in-a-lifetime opportunity to build your career while shaping the future of HPV vaccination best practices and outreach.

Designed for diverse early-career professionals, this one-year program enhances your skills, tools, and habits to amplify your leadership qualities. Capitalize on learning opportunities culminating in paid travel to the 2025 HPV Roundtable National Meeting.

If you want a future in HPV vaccination, you want to join this program.

BENEFITS

- Free to all participants
- Interactive professional development workshops and interaction from current HPV Roundtable leaders and subject matter experts
- Paid travel to the HPV Roundtable National Meeting
- Engage in Health Equity work with a focus in HPV
- Bi-monthly Emerging Leaders meetings to collaborate with others in the HPV community
- Certificates of completion after the program.

COMMITMENT

- Attend the in person HPV Roundtable National Meeting during Fall 2025
- Commit one year to the Emerging Leaders Program - attending consistently (≥80%) HPVRT Emerging Leaders Program Meetings as scheduled
- 8-10 hours of dedicated time outside of the committee meeting to the HPVRT Emerging Leaders project each month
- Buy-in and protected time from the leadership of your organization
- Priority will be given to individuals affiliated with a current member organization (list can be found here); however, current membership is not a requirement.
