	CRYA Meeting 7/21/26 ***Attendance listed at end of notes** **Zoom Link:** **https://us02web.zoom.us/j/83776150452?pwd=SEVtekt3ejJGV3M3N09iOFBBNDBSdz09** **Meeting ID: 837 7615 0452** **This meeting went from 7:10- 8:13 pm**
Topic	**Discussion**
Treasurer's Report Doug Vandecoevering Not provided at this meeting	• Checking: $ • Savings: $ • Total: $ **Not provided at this meeting**

Vice President's Report Jason Resch	• Nathaniel Kingsbury (AKA Nano) will be helping with the website
	• CRYA moving forward with more inclusive lens
	  ○ Recaped last few discussions about naming and future of CRYA
	  ○ Asked do we agree that we are moving forward with keeping the focus on "helping people access waterways since 1933" but start using the initials of CRYA
	  ○ General high level feedback shows people like this option and likes opening membership to Christmas Ships, Anglers, Recreational Boaters etc. (This does not include commercial boaters or tour groups)
	  ○ Motion to keep CRYA initials approved, (group acknowledged that Knotts won't meet again until Aug but based on pervious discussions it appears Knotts supported this)
	  ○ Motion to expand membership approved- Group accepts the concept, but need some of the details clarified such as who would/wouldn't have voting rights; what the costs of individual memberships would be and method of payments accepted by CRYA; previous discussion included the concept of implementing an on-line payment system. Once these details are clarified then these changes need to be approved in the by-laws.

Adopt a Dock Program- Ken Tennefoss	• Next step- Parks looking at what forms are needed and create some structure around what volunteers can/can't do. The forms used are usually used for a specific project and they are working to make the paperwork for a group of general volunteers on standby for when they are needed. • In the process of creating a survey to identify a group of people who have the skills and capacity for this sort of work to refer to when there is a project that needs this level of volunteer support.

Katie Schenk: Dock repair report
 	
Roll call: Alicia, Tracy, doug R, Kent T, jason, Nathaniel Kingsbury, steve molin, karen greene, Jolene walsh, self
	• Hadleys Landing:
	  ○ Met with State Parks and confirmed the work is completed. This project is a huge success and shows how much our relationship with State Parks has improved.
	  ○ Next steps, they are working on getting bids for bull rails or cleats for this dock; they might be able to access a small grants funds and they may need help with work party to pull out the old rails and replace some boards. Again, huge success and high fives all around!
	  ○ Additionally, the final cost of the work came under estimated cost. Suggestion that CRYA use these funds ear marked for this project for other costs related to the completion of the broader project for Hadleys Landing.
	• Schwitters- contract for this project just got signed and there will likely be a design for us to review in 4-5 months and the work won't start until a few months after design review. The project manager wants CRYAs input on the design review.
	• Jim Peters- is a CRYC and Tyee Club member. He expressed wanting to support Barlett landing. This support might be more financial means vs actually doing the work. Group expressed their observations of Jim being a great fund raiser! Go Jim!
	• A reminder- please don't fix docks by yourself- State parks are working with us, and want us involved but these efforts needs to be coordinated and approved.
	• Next meeting with State Parks meeting is in 9/8, also inviting marine board to this conversation.
	• A recent question came forward regarding Swan Island boat ramp which is owned by city of Portland; it is an industrial lot with a boat ramp which is for sale (has been for a length of time). Rumor is that Cathedral Park boat ramp is closing, so there are concerns that closure leaves no boat ramp on that side of the river. Several entities spoke up voicing concerns about the ramp at Swan Island; at the time the city said they would keep this open but they didn't. This will be brought up at the next meeting. This isn't a project CRYA can lead this effort because of size but we can keep bringing up the concerns so it doesn't get lost.
	• Astoria City dock (17th street dock) is getting fixed, the city had the funds to do the work which will be completed by fall. Unclear how these docks can be utilized by the public and depending on how these docks can be used would like to send a thank you to them.
	• Human Access Project- efforts to clean up ross island bridge form chemicals – huge project. CRYA to support but can't lead- very large project
	• Reminder to let community know we are working for ALL boaters- swan island as an example.

Opening Day Theme 2027	• Will Pick this up in Sep- stay tuned.

Karen Green	
Exec. VP Report Doug Romjue	• Looking for Officers for next year- Vice Pres, Treasurer and President. Jason President next year, Doug R leaving in Oct for Christmas Ships ○
Daughters of Neptune (DON) Alicia	• Working on getting a Lifejacket Station on Sand Island. Recapped a recent incident with a youth that highlighted this need
Jolene Walsh- Cruise	• Two changes to cruises and these have been updated on-line • Will send out reminder for cruise schedule next wee • Plug an ad for extended membership and include advocacy list too
Annual Dinner	• Save the Date: Annual Dinner will be held at PYC on Oct 20; doors open at 6 pm. More details to come but in the meantime mark your calendar! ○ Recognitions at dinner-club commodores, special efforts from a member, new officers, memorial, etc. Still working on the menu itself (buffet or plated), tickets between $45-50, will send an evite and be able to accept payment on-line
Old Business	• Clearance Marker on the lower section of the Steel bridge, no specific timeline was provided for this. No updates
New Business	•
Next Meeting	**8/11/26 @ 7:00 pm** **Zoom Link:** **https://us02web.zoom.us/j/83776150452?pwd=SEVtekt3ejJGV3M3N09iOFBBNDBSdz09** **Meeting ID: 837 7615 0452**

Attendance: Club Initals that are in bold had representative at this meeting
