Auditions: What To Expect

- Welcome/Introductions/Theater Games
    - We'll begin with introducing our staff and assistants, and welcome everyone to get comfortable with some getting-to-know-you theater games.
- Dance Call
    - To kick things off, we'll have a short dance audition with our choreographer as a large group in the cafeteria. Please wear clothes and shoes that you can move in!

- In the Audition Room:
    - Students should prepare one of the songs and one of the monologues, both provided in the Audition Materials folder. We will call students in small groups, based on which song and which monologue they selected to prepare.

- Outside the Audition Room:
    - While small groups are in the audition room, the remaining students will participate in stations with HS Assistants. We'll have the following available:
        - HW Station
        - Theater Game Station
        - Monologue/Song Practice Station

We understand that some students feel very nervous for auditions- the audition environment is very friendly and positive. Our team is welcoming and excited to get to know and build a positive relationship with each child who would like to participate in NPS Theater!

FAQs

- When will the cast list be sent out?
    - The cast list will be sent out via email on the same night as auditions. All email communications will be sent to students and parents, so please ensure that parent email addresses are spelled correctly on the audition form.

- What if my student doesn't get the part they want?
    - There are no parts in a musical that are more important than others! Although not getting the role they want can be disappointing, please know that each and every actor onstage is vital to the success of the show.

- My student wants to be in the ensemble of the show, but is too nervous to complete the audition. Can they still participate?
    - Yes, absolutely! If a student wants to be in the ensemble but does not want to act/sing alone, they can complete the dance portion of the audition and be picked up early, with parent communication. Please contact Ms. Kane to arrange this (skane@nssk12.org). We do ask that all students at least attend the audition day for a short portion so the production team can meet everyone.

- Will my student have rehearsal every Monday, Wednesday, and Thursday after school until the show?
    - No- we are committed to respecting everyone's time and only calling students to rehearsal who need to be there. Since some scenes and songs have only a few characters in them, not everyone will be called to every rehearsal, especially at the beginning of the rehearsal process. However, as the show gets closer we will have everyone at every rehearsal (mid-January through the end of February). At our read-through rehearsal on Monday 11/23, we will have a full rehearsal schedule so you will know well in advance when your student is called.

- Who is on the production team who will be working with my student?
    - Our production team is headed by Ms. Kane (Director/Music Director). Ms. Kane is the NHS Chorus Teacher and Theater Director. Students will also work with Nick D'Amico (Acting Coach), a local actor and performer who is a graduate of Rhode Island College with a degree in Musical Theater, and Sander Garcia (Choreographer), a local performer and choreographer who holds a degree in Musical Theater from AMDA. Additionally, we have a team of high school Assistant Directors who are headed by seniors Maya Gordon and Emma Hunter.
