

2017 - 2018 Education Package Contract

Whole Property Pricing Packages

AASC's Whole Property Pricing is a package that allows companies & individual properties to buy education based on their size and total units. Once an Education Package Contract is signed and submitted to the AASC office employees can immediately attend classes. The fees associated with this package will be due in full by January 1, 2018 to be effective. By enrolling in this package your company or community will enjoy 12 full months of education savings. The rates for these packages are broken down as follows:

Single Property: 1 - 100 Units - \$200
101 - 150 Units - \$300
151 - 200 Units - \$400
201 - 300 Units - \$500
301 - 400 Units - \$600
401 - 500 Units - \$700

**THE AVERAGE STUDENT
WILL ATTEND 4 CLASSES
A YEAR AND COST OVER
\$150.**

Management Company: 1-4 Properties - \$850
5-6 Properties - \$1,000
7 or more Properties - \$2,200

This program allows all on-site and corporate staff members to attend AASC's basic seminars all year. National Designation programs, NALP, CAM and Certification courses such as CPO, Asbestos and Lead Paint are not considered basic seminars; however, there will be a 10% discount off the regular price of those classes for any student from a company enrolled in the Whole Property Pricing program. All Students will need to register by fax or online for the various courses they want to attend. If they cannot attend the class after they have been registered a different student from the property can be sent, but **all no-show students will be assessed a \$15 cancellation fee per class.**
***A 10% discount can't be applied to CAMT (Certificate for Maintenance Technicians)**

Complete the below information to enroll a specific property or management company in the Whole Property Pricing education program. Education discounts will expire 12 months following the date this contract is completed.
