

Branching Out a seminar for forest landowners

Friday, August 10, 2018 / Texas Forestry Association
1903 Atkinson Drive, Lufkin, TX 75901
Time: 9:30am – 2:00pm

About the Program

Texas Forestry Association's Texas Forest Landowners Council will hold a seminar for all landowners as part of their August meeting. There will be ample time for Q&A.

The agenda will address topics beyond the regular scope of forest management, including:

Pond Management - Ken Hale with Boatcycle in Henderson will be discussing weed identification, control, water quality, and more.

Soil Erosion and the Effects Various Land Management Practices and Soil Health have on Water Quality - Dennis Brezina and Mike Oliver, both with NRCS, will give an outside demonstration using the agency's rainfall simulator.

Growing Natives for Fruit Production - Greg Grant, an expert with Texas A&M AgriLife Extension, Smith County Extension Agent, will talk about growing trees in your forest for fruit production.

Agroforestry in East Texas - Michelle Moore, Texas A&M Forest Service, will talk about how to reach your land's fullest potential.

Advance Registration

The fee for the workshop is \$20 and lunch is included; preregistration is required.

Register online at www.texasforestry.org (Events) or mail registration to Texas Forestry Association, P.O. Box 1488, Lufkin, TX 75902-1488.
