

You are invited to the **GeSI** (Global Enabling Sustainability Initiative) joint Outreach Meeting event in collaboration with the **RBA** (Responsible Business Alliance) and the **OECD** (Organization for Economic Co-operation and Development).

This complimentary event is geared towards Suppliers of **GeSI** and **RBA** Members and takes place in the southern region of China in the city of **Guangzhou**.

Outreach Meeting Event

12 December 2018

Crown Plaza Hotel
Guangzhou City Center
No. 339, Huanshi Road East, Yuexiu District,
510098, Guangzhou, P.R. China

Purpose

The Outreach Meeting event provides a unique opportunity for Members and Suppliers of **GeSI** and the **RBA** to come together and discuss topics specific to the digital industry. The **OECD** participation offers a perspective from an organization that promotes policies that will improve the economic and social well-being of people around the world.

Agenda

Major topics discussed at the Outreach Meeting include labor and human rights, supply chain management, and how the digital industry can impact achievement of the Sustainable Development Goals (SDGs). For further details and to review the agenda, please visit the [Outreach Meeting Registration](#).

Additional topics include:

- Collaborative Compliance Program
- Panel Discussion on Sustainable Development Goals (SDGs)
- Responsible Labor Initiative, Enabling Rights, Security and Privacy
- Business Best Practices (joint panel between **GeSI** and **RBA**)

Register your company for this complimentary event quickly, as space may be limited!
