Stirred by the Spirit!

As Samson grew, the Bible says the "Spirit of the LORD began to stir him." This means God was giving him a nudge, a feeling that he was meant to do something important. God stirs our hearts too!

Draw a picture of a time you felt a "stir" or a "nudge" to do something kind or brave for God.

Today's Lesson:

God has a unique plan for you and will stir your heart to follow it!
