Organic Dental Solutions—Kits

You asked, we answered

Organic Dental Solutions - Dental disease can cause bad breath, painful infections, and high vet bills, they can also cause life-threatening conditions for your dogs vital organs like their heart and kidneys.

INGREDIENTS THAT MATTER

Coconut Oil— antibacterial/antiviral that can help reduce bad breath and plaque

Olive leaf Extract— soothes inflamed gums & support gastrointestinal health

Fennel Extract— rich in vitamin C and can help fight gingivitis

Sweet Potato— packed with vitamin A for healthy skin, coat, eyes, & helps digestion

Cinnamon Powder— naturally antimicrobial, antibacterial. Anti-inflammatory properties that can help brain function. Safe for dogs with arthritis and diabetes

Kelp Extract— vitamins and amino acids to help reduce plaque and tartar

Salt— helps reduce bacteria in the mouth and freshen breath

Thyme Leaf Oil— naturally antimicrobial and can help reduce tooth decay

The Better Choice - an essential for dogs.

With a USDA Certified Organic tooth gel and ultra-soft toothbrush, you can help freshen your dogs breath and remove tartar, and fight plaque without any preservatives, dyes, or chemicals.

PACKAGING - Available in kits for Puppy, Adult & Senior Dogs because each has specific dental needs with their brush.
