WHY DOES THE CITY CHIP SEAL?

Asphalt erodes over time from natural wear and tear due to weather. A chip seal application is a protective surface applied to the current pavement to increase the life span of the roadway.

WHAT ARE THE ADVANTAGES OF CHIP SEAL?

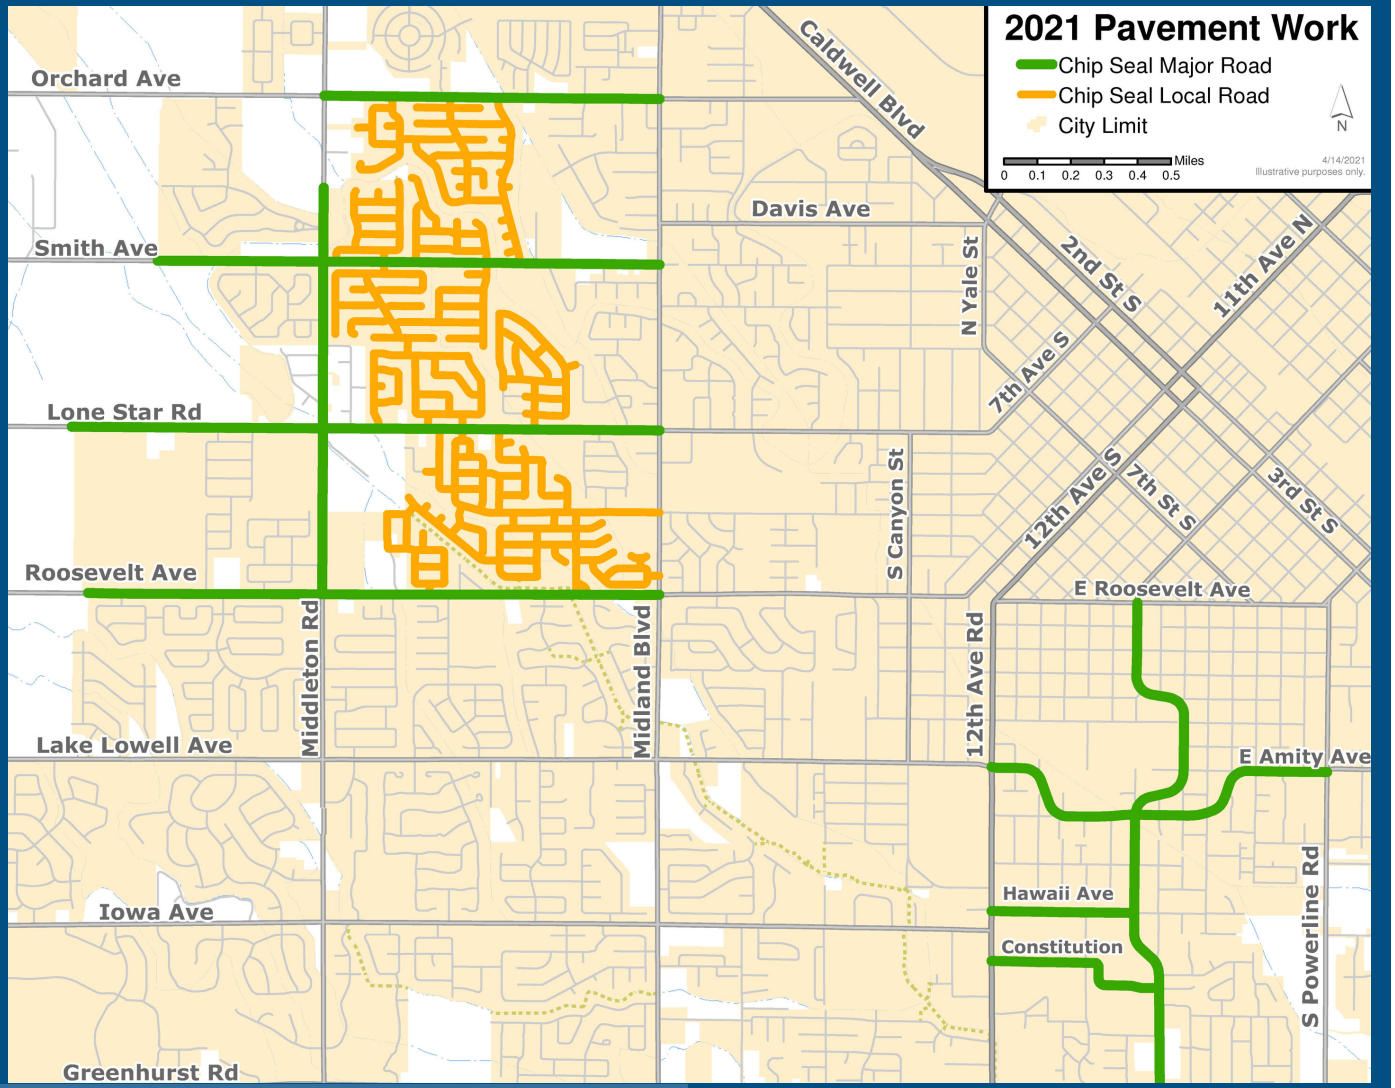
- Prevents oxidation from the sun
- Provides a moisture barrier
- Corrects and seals small cracks
- Less expensive than repaving
- Adds 5 - 7 years to the pavement life
- Immediate access to the roads after the application of the aggregate and compaction

WHAT CAN I EXPECT DURING THE CHIP SEAL PROCESS?

Chip sealing is a multi-step process that includes sealing existing cracks in pavements, sweeping excess debris, applying an oil application to control loose rock chips and dust, and completing the process with striping. Once the signage is in place, this process will take a minimum of two weeks and can extend to several weeks. We ask you to please refrain from parking on the streets and subdivisions until the process is complete.

CITY OF NAMPA
500 12TH AVENUE S
NAMPA, ID 83651

CHIP SEALING & WHAT IT MEANS FOR YOU.



ARTERIALS

Chip sealing will be completed in order beginning with Sunny Ridge Road.

Sunny Ridge Road
Constitution Way
E. Hawaii Ave
E. Colorado Ave
E. Bird Avenue
W. Roosevelt Avenue

Lone Star Road
N. Middleton Road
Smith Avenue
W. Orchard Avenue

**Unforeseen circumstances may alter schedule.*

SUBDIVISIONS

Laurelwood No 1
Lotus Springs Phase 1
Lotus Springs Phase 3
Pheasant Ridge 1
Summer Breeze 1
Discovery Pointe 1
Discovery Pointe 3
Sterling Meadows
Granite Basin No 1
Heritage Pointe Sub
Stillwater Sub
Stillwater No 2
Camden Heights No 2
Camden Heights No 7
Pebble Creek Ph 3

RESIDENT CHECKLIST

IMPROVEMENTS WILL TAKE PLACE BETWEEN JUNE 1 - AUGUST 2021

Monday - Thursday | 6 am - 6 pm

BE PATIENT & DRIVE CAUTIOUSLY

Please drive 20 mph while the crews are at work.

TRIM TREES & SHRUBS ON THE CURBSIDE

Trees must be pruned **14 ft. above** the street and clear of the sidewalk.

TEMPORARILY SET IRRIGATION TIMES TO WATER BETWEEN 6 PM - 12 AM

Moisture on the road prevents oil from adhering to the street. All non-compliant residents will be subject to fine.
Idaho Code 18-3908.

PARKING ON DESIGNATED STREETS DURING THE CHIP SEAL PROJECT IS PROHIBITED

Once signage is removed, street parking may be resumed. **All** non-compliant vehicles will be towed by Crossroads Towing.
