Consider Joining in our Efforts!

The North Hunterdon Education Foundation (NHEF) has continued to evolve since our inception in 2014. We are a group of all-volunteer trustees that raise funds to support unique and educational grant opportunities and experiences written by our own NHHS faculty.

Our Mission:

To enhance the quality of education at North Hunterdon High School by attracting and allocating funding for innovative programs not otherwise included in the school budget.

Our Impact:

All NHEF fundraising efforts support teacher/staff grants. All funds are directly invested in the North Hunterdon high school students!

Please visit our website: www.nhhsfoundation.org

Watch our brief overview video (homepage) and learn more about the grants (menu tab) the NHEF has funded across the school.

Are you a future Class of 2027 parent that would like to become involved at NHHS? We are looking for new parent volunteers to join our trustees in the following areas:

- Sponsorship drive & relationships
- Events
- Treasurer Support

Please email your brief introduction and area of interest to: nhef@nhhsfoundation.org

Our Board of Trustees welcomes your insight and ideas. Please consider becoming a part of our team. It's a fantastic way to get involved at North!
