The LEED Study by UNC Chapel Hill and RTI International

JOIN OUR RESEARCH STUDY

Is your child age 5, 6, or 7?

If so, you may be eligible to participate in the LEED study on emotional development and mental health in children. No travel required!

In this study you will:

- Complete 1 in-home visit
- Complete daily surveys for a few weeks
- Complete a follow-up call every 6 months for 2 years
- Parents can earn up to $425
- Children can earn a mix of cash and prizes

To learn more scan the QR code or contact 910-477-3712 or LEEDstudy@rti.org
