Following the directions carefully is important.
The grading rubric for the finalized folder is below on this page.

Design a collage, picture or emblem that represents the Revolutionary War. Include the title "Revolutionary War 1775-1783". At the bottom of the front page, write a sentence that explains what the Revolutionary War was all about. Write your name on the front page.

SECOND PAGE

On this page you will put the envelope with the essay about what led up to the Revolutionary War.   Also put on a TimeLine of the major events of the war including what led up to it. At least 5 pictures included with the events are required. Some dates will need more than one entry. Include the most important ones.
Fill up the page with your timeline. Be creative.
Here are the years that must be labeled on your timeline:. 1763, 1764, 1765, 1767, 1770, 1772, 1773, 1774, 1775, 1776, 1777, 1778, 1779, 1780, 1781, 1782, 1783. A good website to find the war's major events is here:
