South East Sport, Culture & Recreation District and Team South East encourage you to use this Guide to promote and highlight the athletes on Team South East from your area.

The Saskatchewan Games are the largest multi-sport event in this province, drawing young people from all corners of Saskatchewan. The Games were first held in Moose Jaw in 1972 and have been a strong developmental force for all sport within the province.

From February 15-21, 2026, more than 1,500 athletes, coaches and officials will gather in the neighbouring northwestern communities of Meadow Lake and Flying Dust First Nation to share in the thrill of competition and camaraderie on the provincial stage.
