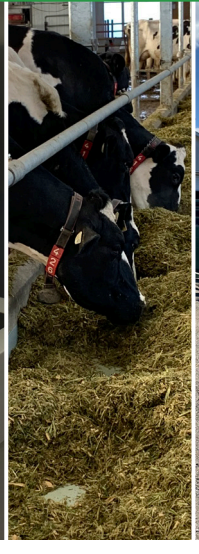
CANADIAN AGRICULTURAL PARTNERSHIP

Apply November 15 at 9 am to December 6 at 5 pm EST

Cost-share funding opportunities **for Ontario producers**



Access funding for projects that address economic development, environmental stewardship, animal health, plant health and food safety. There are more than 40 project categories to choose from. A few specific examples include:

- **Purchasing equipment to improve labour productivity**
- **Acquiring tools for animal health monitoring**
- **Adding equipment to improve animal handling**
