Certified Professional Doula™ (CPD) Training

The Community College of Aurora and the Allo™ Doula Academy are excited to offer this comprehensive program to prepare students to work as professional doulas.

The program covers anatomy and physiology, the stages of pregnancy and birth, postpartum mother and baby care, support measures and protocols, professional development fundamentals, bereavement support, and business principles for independent contractors. This program also includes bloodborne pathogens and universal precautions certification, a clinical rotation and a doula certification exam. Upon successful completion students will be able to work as a professional doula.

Schedule: Mondays Sept 12th – Dec 19th 6:00PM – 10:00PM
(Attendance and participation in all class sessions is required)

Hours to Completion: 200+ hours including class time (60), homework (80), and clinical rotation (75)

Certification: Upon completion of the course requirements and certification exam (included in costs)

Eligibility:
• Must be 18 years of age or older
• Must meet physical exertion demands (ability to lift up to 50 pounds, stooping, bending, sitting or standing for long hours) • Must have a high school diploma or equivalency

Requirements:
• Weekly homework assignments • Content and skills application quizzes and tests
• Self-assessment and checkup • Midterm exam • Clinical rotation

Course Fee: $5,500
(this fee covers textbooks, exam fees, background check, drug screen)

Financial Assistance/Funding Available
Financial assistance/funding is available for prospective students interested in applying. Funding may cover most or all of the program tuition/fees. Colorado's local workforce centers have stimulus funds to provide training to support your next career move. Whether you want to find a new job, advance your skills, or change careers, funding is available to help you on your way to an in-demand, well-paying job.
