Let's wonder about the story together:

- I wonder why Jonah disobeyed God in the beginning of the story?
- I wonder what Jonah was thinking while he was in the belly of the fish?
- I wonder what Jonah thought when the fish spit him onto the land?
- I wonder why Jonah finally obeyed God?

Now, watch and listen to the Jonah story from the perspective of Whale!

Let's wonder about the story together:

1. Why do you think that Whale was so happy in the beginning of this book?
2. Why was Jonah on the ship in the first place?
3. Why did Whale swallow Jonah?
4. What was Whale doing when he heard more instructions from God about what to do with the man in his belly?
5. What do you think God created you to do?
