THROUGH THE  
SEVEN TRANSITIONS  
INTO ADULTHOOD

Lisa Damour, Ph.D.

**Tuesday, September 20 7-9 pm in the Stanley Ballroom**

---

Lisa Damour, PhD, and author of *New York Times* best-seller *Untangled*, visits Stanley British Primary School for an evening with parents, and then workshops with students and faculty the following day. Dr. Damour

draws on decades of experience and the latest research to reveal the seven distinct — and absolutely normal — developmental transitions that turn girls into grown-ups.
