

THIS EVENT IS TO BENEFIT
THE LLOYD F. MOSS FREE CLINIC

Celebrating 23 Years of Service!!!

For over 23 years, the Lloyd F. Moss Free Clinic's mission has been to provide free of charge, nondiscriminatory, quality health care services to the medically indigent residents throughout Caroline, King George, Spotsylvania, and Stafford counties and the City of Fredericksburg.

The Clinic is a nonprofit, community based, volunteer-driven organization committed to providing access to quality health care services to low-income uninsured area residents. Particular emphasis is put on prevention and individual patient education, as well as providing early intervention to prevent and/or treat illness and disease.

The Lloyd F. Moss Free Clinic believes that no one should go without health care. Our program provides medical, dental and mental health care as well as pharmacy services and specialty referrals to eligible patients.
