MEN!!!! **You need to be with MEN so you can become the holy MEN the Church so desperately needs. Start with the Men's breakfast Sat. from 8-10AM. The King of Kings will be there on the altar & in you.**

DO YOU KNOW WE ARE ALL ALIENS ON EARTH?

We are only passing through here. So Abraham realized as he set out to a land he didn't know & never saw the promise he was given of having descendants as numerous as the stars. They all died...in faith. But somehow he knew the Promiser was trustworthy. He was seeking a promised homeland on earth. We are on earth & we have been promised a new homeland… a homeland in heaven. Are we ready to set out for it & realize this world is passing away & we need to focus on & prepare for the real home we are going to? We go through life, living it to the full, enjoying it, sometimes suffering through it, making the best of it we can for ourselves & our offspring but we need to have that eternal perspective & inculcate that in our youth so they, too, can learn who they really are, Whose they really are & where they are going.

Abraham was put to the test as are all God's creatures to see if they can be faithful to Him with the means He has given us as we often falter on our way home. No other denomination has these helps, the 7 sacraments that we have been given to help us on a journey that is rugged & rigged with traps from the evil ones who do not want to see us succeed & thus occupy places of power they once held. Not only that but those who get home will be raised to an even higher power than they once had. How insanely jealous & furious they are! Thus the mounting attack on all of us these days to distract us from the road we are on. The fierceness of the battle also tells us what time it is. It is all coming to a head. Our father in faith, Abraham, was tested severely by being directed to sacrifice his son. What an incredible test of faith from a God he could not see, in a land he did not know for a son whose conception he could not humanly fathom only that it happened so Whoever had ordained it had to be far beyond any gods or goddesses of the day.

Thousands of years later, we stand on the cusp of a new era & for those who believe, it is venturing into a new world where heaven will reign on earth as it is in heaven. The saints before us all yearned to live in these days as turbulent as they seem to us depending on our perspective for we are about to usher in the triumph of the Immaculate Heart of Mary after a lot of much needed purification. The road is going to be very rough with challenges the like of which Abraham faced being called to sacrifice his only son..the son of the promise.

Our Lady has warned us of what is coming & how to prepare for it, get through it & be willing to sacrifice our very selves for the birth of the promised new world free from the wiles of the devil for he will have to leave. Heaven is where we are heading & he cannot go there.

WE ARE THE PEOPLE OF THE MORE.

So be careful & be aware more will be demanded of the people entrusted with the MORE. We have often prided ourselves on being people seeking the MORE. And that is good for what we want MORE of is HIM but that is going to come at a great price of giving up a lot of things that the world dangles before us as being so desirable. He came down to earth & took on our humanity & gave all of it for our redemption. He willingly gave us His all & we need to give Him our all. That is really what marriage is all about & He wants to marry us as Scripture states. Marriage entails a total dying of self to serve the other & any married couple knows how hard that can be at times especially in a world that badgers us to seek our own desires. But we are on the cusp of a new world; a new heaven & earth is about to manifest& the remnant of faithful will inherit it & finally live in the peace He gave to His apostles the night of His resurrection. We will not just do His will; we will be living in it. So let's not get too distracted with the mayhem & chaos of this world that is crumbling all around, let us press on in faith for a world we do not yet see but know that it is there waiting for us with mansions for those who persevere & keep the faith such as Abraham did. As an imprisoned convict condemned to death came to realize:

We attach too much importance to this life. Its only purpose is to prepare us for the next one which is of so great importance that in order to save the elect, the worst chastisements await the blessed of the Father. **(Servant of God Jacques Fesch, a murderer who had a deep conversion shortly before his execution)**

We know. He learned. Pray for the grace of perseverance.
