The purpose of this program is to discuss dental care accessibility for individuals with special health care needs (ISHCN), including techniques that are working well and barriers to accessing dental care. Your comments are confidential and will be used to design programs that improve access to oral health care for ISHCN. This program is open to caregivers, dental and medical professionals, direct support professionals, educators, family members or friends, self-advocates, social workers or care coordinators, and anyone interested in attending. This event is informational; no dental care will be provided.

**This program is free and open to all who are interested.**
**Please register at http://bit.ly/CCMar16**

*Dentists:* **Visit http://bit.ly/SNMar17 for a <u>free CE</u> opportunity March 17-18.**

**This program is hosted by the Virginia Department of Health in partnership with the Virginia Oral Health Coalition and the Department of Behavioral Health & Developmental Services.**
