

Dear fellow member of our San Diego Hare Krishna Temple Community,

We hope that, by Krishna's grace, you and your loved ones are all staying healthy during these challenging times, when we are all feeling the impact of the COVID-19 pandemic. During this time, when you have limited physical access to the temple, we want to remind you that you can still connect with so many nice programs and resources via our temple's online services or by contacting the devotees at our temple.

Here is a list of the resources we have available to serve all of you.

Website: **iskconsandiego.com**
This site will provide you with current information about our temple. It also features an easy link set up so you can sign up for our weekly newsletter. The temple's weekly newsletter is a great way for you to keep current on temple updates and events, along with opportunities for any special sweet services and sponsorships.

SD Hare Krishna Temple Online: **ISKCON San Diego Live TV**
This link enables you to view and listen online to all our regular daily temple programs, including kirtans and classes, as well as the weekly Sunday KrishnaFest and all other special events.

Other Krishna Resources: Transcendental books, both hard copies and digital editions, are available for you to order and have sent to your home or device. These books are full of the timeless knowledge taught by Srila Prabhupada and the previous acaryas, including descriptions of the pastimes of Lord Krishna and His devotees — all provided for our spiritual upliftment. They are very spiritually satisfying to read and study. If you would like to order any of these transcendental literatures, please contact Balarama dasa at 64rounds@gmail.com or Damodara Kumara dasa at damodarakumaradas.rsn@gmail.com.

Email: **krishna.sandiego@gmail.com** / Ph. 858-429-9375
This email and phone number are for you to contact the devotees at the temple so they can answer any questions you may have.

Hare Krishna
Best regards and thank you,
Your servants at the New Govardhana Hare Krishna Temple

Sri Sri Radha-Giridhari Temple

Temple Visitor Guidelines as of June 7, 2020

- All temple guests will have their temperatures checked before entering the temple. If a guest is found to have a temperature of 100 degrees or more, they will be asked to leave and kindly encouraged to seek medical attention.
- Each guest will be asked a series of questions, such as "Do you have a cough, fever, or shortness of breath?" You will also be requested to give us your name and telephone number for our records, for contact tracing purposes. (In case anyone later turns out to be COVID-19 positive, we can immediately contact other devotees who attended that day's functions so they can get tested.)
- All temple guests must wear a face mask or face covering that fits securely and covers both the nose and the mouth.
- Social distancing — All visitors must keep at least 6 feet apart at all times, both inside and outside the temple. (No shaking hands or hugging will be allowed at this time.)
- Shoes are not to be taken off when entering the temple. A walkway mat has been installed for all guests to walk on while wearing their shoes in order to take darshan inside the temple.
- No attendees will bow down to the floor when entering the temple. They are to enter the temple and then offer respects to Srila Prabhupada and the Deities while standing up with hands folded in pranams.
- All guests must use the sanitizer stations that have been set up to sanitize their hands before entering the temple and after exiting the temple. These stations are located at the temple entry and exit area doors for guests to use.
- PLEASE NOTE: ALL RESTROOMS AT THE TEMPLE ARE PRESENTLY CLOSED TO BOTH THE PUBLIC AND GUESTS.
- Guests must walk only along the marked pathways that have been set up to insure safe access into and egress out of the temple.
- After guests have taken darshan in the temple room, they will exit out of the side doors to the patio and be able to pick up a takeout container of delicious prasadam to take home with them.

Hare Krishna! Thank you very much for following these guidelines for both your own safety and the safety of the temple devotees and your fellow guests.
