

Workshop: Collaboration and Leadership to Improve Oral Health

Tuesday, August 21 - Wednesday, August 22, 2018 | Richmond, VA

Presented by:

About the Workshop

This 2-day workshop is presented by the Virginia Oral Health Coalition and Community Tool Box to bring together partners from around the state who are change agents for oral health in their community. During the workshop attendees will gain or enhance their skills to:

- **Lead community-driven, collaborative initiatives,**
- **Garner support for collective action and policy change, and**
- **Build the infrastructure for sustainable system change.**

The workshop is best suited for those who are involved in regional oral health alliances, or those who would like to become involved, including: advocates, service providers, public health practitioners, and anyone with an interest in community health.
