

# Oral Health and Pregnancy

Presented by the Virginia Oral Health Coalition

**Free CE Program**

**Thursday, April 13, 2017**

**Virginia Oral Health Coalition  
ECPI University Newport News  
1001 Omni Boulevard  
Newport News, VA 23606**

## Course Description

"Oral Health and Pregnancy" will explore the role of oral health in a healthy pregnancy and techniques to improve access to and participation in dental care during pregnancy. This training is geared toward dental and maternal health providers. Teaching methods include lecture and question and answer. The speakers have no relevant financial relationships to disclose. No prior skill level or knowledge is required to attend.

## Learning Objectives

1. Review the relationship between oral health and pregnancy outcomes.
2. Identify the roles dental providers play in optimal oral health during pregnancy.
3. Identify common barriers to accessing and delivering oral health care.
4. Review techniques to improve oral health habits among pregnant women.

**1.5 CE Credits for  
Dental Professionals &  
Family Physicians**

**ADA CERP®** | Continuing Education  
Recognition Program

The Virginia Dental Association is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The Virginia Dental Association designates this activity for 1.5 continuing education credits.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between The Virginia Dental Association and the Virginia Oral Health Coalition.
