

You're Invited to The
Northern Virginia Oral Health Alliance
Spring Oral Health Convening

Objectives:

- Discuss shared regional challenges, including disparities in oral health care access, delivery, and outcomes;
- Share best practices for meeting community oral health needs with colleagues from around the region;
- Learn about the state policy context for oral health care coverage; and
- Receive a tour of the Greater Prince William Community Health Center's Manassas location.

Monday, May 14, 2018

Lunch | 11:30 am—12:00 pm

Event | 12:00 pm—2:30 pm

**Greater Prince William Community
Health Center, Manassas, VA**

RSVP: <http://bit.ly/NOVAMay14>

The NOVA Oral Health Alliance is comprised of community-based partners from all over the region who collaborate to improve the oral health and overall health of Northern Virginia residents. Anyone with an interest in oral health is welcome to participate.
