DentaQuest

# Oral Health in Pregnancy and Early Childhood

*Presented by the Virginia Oral Health Coalition in partnership with the Department of Medical Assistance Services and DentaQuest, LLC*

**Thursday, November 30, 2017 | 12:00 – 1:30 p.m.**

## Course Description

“Oral Health in Pregnancy and Early Childhood” will explore the role of oral health in a healthy pregnancy and during infancy and early childhood, as well as techniques to improve access to and participation in dental care. This training is geared toward dental providers. Teaching methods include lecture and question and answer. The speaker has no relevant financial relationships to disclose. No prior skill level or knowledge is required to attend.

**1.25 CE Credits for  
Dental Professionals**

## Learning Objectives

- Review oral health considerations during pregnancy and early childhood.
- Discuss oral hygiene and prevention techniques for pregnant women.
- Discuss oral hygiene and prevention techniques for infants and young children.
- Ensure providers and office staff understand billing and coding procedures to ensure reimbursement.

**ADA CERP®** | Continuing Education  
Recognition Program

The Virginia Dental Association is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The Virginia Dental Association designates this activity for 1.25 continuing education credits.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between The Virginia Dental Association and the Virginia Oral Health Coalition.
