LEAGUE OF WOMEN VOTERS® OF VOLUSIA COUNTY

Membership Outreach
Submitted by Pam Novy

September 2026

Meet and Greets are small group (10 – 25) meetings for prospective members. They generally last 90 minutes or so and are often in member's homes. Participants learn about the history of the League and how they can join and contribute.

Two Meet and Greets have been held in the last two months. One was in the home of Pam Novy on August 18, and another was held on August 9 at the home of Melanie Novy, co-hosted by Ashley Sipos. Pam Novy did the introductions at both, and Pat Drago spoke at the August 18 meeting and Saralee Morrissey spoke on August 9. Both were well attended and it is hoped that several new members will be joining us as a result. I would love to have Meet and Greets all over the county. If you have friends, neighbors, or family you think might be interested in learning more about the League, please consider hosting one. If you have an organization, I'll be happy to hold them at one of your meetings. Call me at (386)562-6727 if you're interested. I will set up the meeting and walk you through every step of the way. It's a good way to get your friends and neighbors involved in the League in an informal, friendly setting.

Local Leaguer programs and activities will be kept to a minimum (except Meet and Greets) until after the November elections since League activities around election season take priority. After the elections, look for announcements for book talks, planting native plants in your yard, and a tour and talk at the Mary Harrell Black Heritage Museum.

Also, if you're interested in being on the Membership Outreach Advisory Committee, call or text me.
