Meet the twins Owen and Aiden Finocchietti from Wellington (West Palm Beach) Florida and their family, mom Elisha, grandfather Barry and dad Gabe.

Aiden and Owen and their family set a goal to play in one junior tournament in every state in one year. New Mexico was their 6th state, where they participated in the Las Cruces Open L6 Junior Tournament, winning the 12U boys singles and doubles events. They started in Georgia on December 30 and plan to complete their odyssey before Christmas 2026. After they completed play Sunday morning, February 8, they headed out in their fifth wheel for Colorado, with Utah next.

Barry, the grandfather, came up with this idea during Covid when he was homeschooling the boys during their kindergarten year. The family felt that this year would be a perfect fit for their schedules and Barry continues to homeschool the boys.
