ATA Newsletter

ATA and USTA again sponsored the **summer youth program** in June. We had 45+ participants and great help. Thanks to Gil Aranda, Roger Weitzel, John & Evelyn Genta, Janet Santackas, Kayla Vojik, Paige Celoria, and Laurel Berry for many hours helping with instruction.

ATA 60th anniversary celebration on June 20th was well attended with courts set up for red ball tennis, cardio tennis, kids courts, and tennis scramble formats. Lunch was provided. John Genta thanked all the people who helped make this event happen and awarded Rick Sotak's last 4 pieces of his pottery to Jamie Borsordi, Art Fierro, James Garcia, and Nell Nicholson for their help and contributions. Evelyn gave a little summary of ATA history. It was great to have past and present ATA members attend as well as families from the youth program, people from Las Cruces, and other players who joined in. Thanks to USTA for sponsoring this event!

Tennis 123 will be offered again on Thursday evenings starting **June 26, 6:30-8:00 pm.** This 6-week program is geared for adult beginner players or players returning to tennis and is a bargain at $15 for the 6 weeks and gives you a year membership to ATA. Dale Wallace will be the lead instructor. Use the link below to sign up.
