48TH ANNUAL CAVERN CITY ADULT TENNIS TOURNAMENT

The annual Cavern City adult tennis tournament was held over the Fourth of July weekend at the Lake Carlsbad Tennis Complex, drawing 56 players from Arizona, Texas and New Mexico. Carlsbad entrants faired well, winning 4 of the 9 divisions offered, with 3 runners up finishes, and 4 consolation championships. Recent high school graduate Lucas Bluth brought home top honors in the 27 person Men's Open Singles, then teamed with his brother Clayton Bluth to win the Men's Open Doubles. Charlie Jurva won the Men's 80 Singles and the Men's 70 Doubles with Robert Jack from El Paso. Due to the generosity of our major sponsors (Western Commerce Bank, Greer Construction and BCO Wealth Management) we were able to award over $4000.00 in prize money, player gifts and food to the participants. This is generally the largest adult tournament in Southern New Mexico.
