
You are invited to attend the Civic Life and Faith study sponsored by Covenant Lutheran Church in Stoughton. This study is part of the ELCA's effort in developing a social statement on civic life and faith. The study materials are excellent and are based on a model of non-judgmental discussion. We'll have conversations with each other at a critical time in the history of our country and then provide feedback directly to the ELCA to form the social statement itself. We'll have refreshments and a time to share with one another.

To register, please contact the Covenant Lutheran office at covlutheran@covluth.org or call 608-873-7494. Please let us know which session you plan to attend.

Join us in September to learn more and to answer some fundamental questions:

- How is God's invitation to discipleship lived out in a democracy?
- What are Lutheran views on civic life?
- How do we "go in peace to love and serve the Lord" in civic life?
