

PARENT INPUT FORM FOR CLASS ASSIGNMENT IN 2017-2018

Clover Ridge Elementary School

Class lists for next year are developed each spring to assure optimum learning for **all** students. Many components are reviewed as we strive to personalize learning and accommodate the individual needs of students. Factors such as academic achievement, learning/teaching styles, first language, special needs, gender balance, and social combinations are considered.

We recognize that parent input into these decisions can be very useful and should be considered. If there is information we need to know about your child, we encourage you to complete this form and **submit it to the school office by Friday, April 28, 2017.**
