

Dec. 18th, 2017

Dear Parents,

This year our school-wide event Culture Night will be held from 5:30 PM to 7:30 PM on Jan. 25th, 2018. This event became our school tradition more than 10 years ago. We want to recognize all of the diversity that we have in our community and to celebrate all the cultures that are around us.

Our school Culture Night committee has started planning for this wonderful event. In addition to the programs that we will offer that night, this year we would like to invite all the students who speak a language other than English or who are from an ethnic heritage to film a short clip for 3 to 5 minutes. Students are welcome to dress up in their traditional costumes while being recorded. In the clip, we would like the students to introduce themselves, say greetings in their home languages and/or in English, as well as talk about their costumes if they prefer. We will compile all the clips and run the clips at the beginning of the Fashion Show, which is our opening of the Culture Night event. We believe this project could bring pride of the students' heritage while they teach our CRE families about their culture. We would like to use Thursday, January 12th, 2018 10:40 AM-12:20 PM to film the students.

If you would like your child to be part of this project, please fill out the slip below and return it to Mrs. Hjermstad by Jan. 5th. Please feel free to contact any of us if you have any questions regarding the project.

Sincerely,

Mrs. Hjermstad, 952-556-6940, hjermstadm@district112.org

Mrs. Jamar, 952-556-6943, jamara@district112.org

Mrs. Johnson, 952-556-6970, johnsone@district112.org

Please return the slip by Jan. 5th.

Notes to the parents: The following is a list of a few ideas what your child might want to say in the clip. (You can certainly write your own script.) If your child would like to be filmed in his or her home language, please help your child practice what s/he wants to say at home prior to Jan. 12th. If your child chooses to be filmed in English only, s/he can simply choose one script below and fill out the blanks. Or, s/he can write a short script on his or her own. Please also help your child rehearse prior to Jan. 12th. No matter which language your child chooses, the key to make the filming successful is to practice, practice, and practice! We are looking forward to seeing your child on the recording day!
