Subject Line: We Need You! Spring Virtual Learning Session Watch Party

Dear SVHD Family,

We here at [INSERT CARE CENTER NAME] would like to formally invite you to join us for an SV-ONE Spring Virtual Learning Session Watch Party on Wednesday, May 20, from 11 am to 5 pm ET [8 am to 2 pm PT].

Learning Sessions are unique opportunities for parents, patients, and clinicians to unite their voices, share their stories, and learn about the latest practices in single ventricle care. Together, we can transform the future of medicine for those living with single ventricle heart disease. Your insights, your experiences, and your dreams are the driving force behind every step forward we take as a team. Your presence is not just valued, it is essential. WE NEED YOU!

Please join us as we come together to learn and discuss ways we can help improve the outcomes for those living with single ventricle heart disease.

Sincerely,
