City Improvements Coming to Your Area

Clark Avenue between Anaheim Street and Spring Street is planned to kick off in **June 2026** in your neighborhood! This improvement is part of the Elevate '28 Infrastructure Investment Plan, a historic initiative to enhance Long Beach parks, community facilities, mobility access and streets. Learn more at lbelevate28.com.

Planned Improvements:
Full roadway resurfacing to improve driving conditions; reconstruction of curbs and gutters to address drainage issues and reduce ponding, reconstruction of curb ramps and sidewalks to meet ADA standards and improve pedestrian safety; new traffic striping and lane markings for improved visibility; replacement of faded or damaged street signage with new highly visible signs; new protected bikeways and painted bike lanes to improve safety; continental crosswalks and mid-block crossings for additional pedestrian safety; reconstruction and installation of bus pads to improve transit facilities.

Key Information:

- **Work Hours:** Any time from Monday to Friday, between 7 a.m. and 4 p.m.
- **Potential Impacts:** At least one travel lane in each direction will be open during construction, driveway access will be limited intermittently during work hours, and temporary parking restrictions will be in effect throughout the project limits. Efforts will be made to limit disruptions and promptly restore access during the project.
- **Estimated Completion:** Construction is expected to be completed by **Fall 2026**, pending weather or unforeseen circumstances.
- **Contractor Overseeing the Project:** All American Asphalt
- **Safety:** For your safety and to ensure the best quality of work, avoid entering active work zones.
- **More Information:** Visit **lbcity.info/clarkaveproject2**.
- **General Questions:** Contact Public Works at **jorge.magana@longbeach.gov** or **562.570.6678**.
- **Emergencies:** Contact **Jorge Ortega at 951.757.8056**.

We appreciate your patience and cooperation as we work to create more accessible and community-friendly spaces.
