

RISE

A safe place for those who live with labels like LGBTQ+ and disabilities

Just as the butterfly rises from its cocoon, so too will you. We've all been winging it in our own cocoons, and now it's time to emerge. Together, we will use our wings to start a butterfly effect: small changes that will create big outcomes. **RISE** is a safe place where all sexual orientations, gender identities, and gender expressions are welcome and encouraged. This is a safe place for those who live with labels like LGBTQ+ and disabilities. Topics like the use of labels, building support circles, intersectionality, transitioning, and other diverse topics will be discussed through a lens of LGBTQ+.

We support people, not labels. Together we RISE!
