Puddy Robinson

Board Members:

Angie Kitchen

Mindy Lee

Heather Seal

Alice Rhode

Dawn Huse

UP21 Foundation's 6th annual "Take a Walk in the Park", will be held Saturday, March 24th, 2018 for family, friends and supporters of individuals with Down syndrome, at 10am at the trailhead on Koop Drive in Mandeville. We are currently seeking sponsors and hope you will join us in supporting our efforts. Your sponsorship will give us the ability to continue to provide family support, educational services and outreach to individuals with Down syndrome, their families and their educators, and to promote understanding and acceptance of individuals with Down syndrome.

We continue to receive an outpouring of support from our community. This support has allowed us to host iCan Bike, a weeklong bike camp for individuals with developmental disabilities, a 2-day Down syndrome educational conference with internationally recognized experts, a world-renowned medical researcher in the field of Down syndrome as well as numerous workshops and events. Our goal is to continue to provide the most current resources to our families.

UP21 is excited to announce that we are in the early stages of establishing a learning center for students within our community.

Your sponsorship is appreciated and is tax-deductible. You may choose from five levels of giving. Checks should be made payable to UP21 Foundation. UP21 is a 501(c)(3) charitable organization. (EIN 46-1703166)

This fundraiser will help spread the word within our community about the abilities of individuals with Down syndrome. We thank you in advance for your participation and generosity in making this event successful.

Sincerely,

UP21 Board of Directors
