# FHA CLUB DESCRIPTIONS – SEPTEMBER 2026

**Chess Club:** The FHA Chess Club is a relaxed, student-friendly space where anyone can learn, practice, and enjoy the game of chess. From complete beginners to those who already know how to play, members can learn new strategies, improve their skills, and play casual games against other students. The club focuses on having fun, learning together, and building a welcoming community.

**Communications Club:** The purpose of this club is to keep the public and school body up to date on all school events, both academically and socially. Students write articles and take pictures for social media and the school newsletter. This club is open to students in grades 10-12 exhibiting good behavior, B average in English, and excellent attendance.

**Crochet:** A community for teachers and students to come and encourage one another in their creative pursuits. Allowing for any interested persons to learn the hobby of crochet and practice the art of creating.

**Eco-Schools:** This club is open to all and is one of the largest global sustainable school programmes. A student-led program, it starts in the classroom and expands to the community by engaging the next generation in action-based learning, identifying and implementing sustainable ideas for our school campus.

**Girl Guides and Ranger Guides:** The Bahamas Girl Guides Association (BGGA), a member of the World Association of Girl Guides and Girl Scouts (WAGGGS), provides girls and young women with unique opportunities in personal development, team building, decision making, leadership and advocacy skills.

- Girl Guides is the branch for girls 10 to 14 years old
- Ranger Guides is the branch for 14 to 18+ years old

Registration is $3.00, and once Pre-promise challenges have been completed all Guides are required to have full uniform for the enrollment service.

**Interact Club:** Brings together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self. Find out how serious leadership can be seriously fun.

**Nursing Cadets:** This program is open to Bahamian citizens in Grades 10-12 that wish to pursue a career in nursing. Taught by trained nurses at the Marsh Harbour Government Clinic, they are seeking dedicated, competent and compassionate future healthcare workers.

**RBDF Rangers:** This after school club is open to all students and meets on the FHA school campus. Rangers are taught by RBDF officers to become responsible, reliable and trustworthy. They learn discipline and dedication to the following

core values: Honesty, Courage, Commitment, Fair play, Integrity, Accountability, Transparency, Unity, Loyalty and Fortitude.

**SAFER (Student Allies For Equality and Respect):** is an open-minded discussion group geared to create a safe space for all. Students learn to use their voice for the greater good, while standing up for others in the face of adversity. Students are empowered to speak up when they "see something say something" by addressing bullying, hate speech, discrimination, racism, homophobia, and xenophobia.

**Speech and Debate:** Students will be coached to prepare for speech and debate competitions in this dynamic club. They will learn to write, edit and deliver exceptional speeches.

**Unite:** This Bible-based club fosters fellowship among campus students, enhances Bible knowledge by memorizing, exploring and discussing biblical truths, produce students with good moral foundation for better decision making in life, develops confidence in sharing faith with others, and encourages the modeling of Christlike attitudes among peers. Along with Bible study and discussion, there will be crafts, games, singing and Bible memory verses.
