Rocky Mountain Round Up

GRAND JUNCTION GIVES $45K

On October 23, the Grand Junction Kiwanis Club gave $45,000 to local non-profit agencies who help children of Mesa County.

Kiwanis Club awarded the money to 20 nonprofits, including CASA, Hilltop, Community Food Bank, and Homeward Bound-Pathways.

The money was gathered from the Kiwanis Pancake Day and other fundraisers they held throughout the year.

The Grand Junction Kiwanis Club has been giving back to the community for at least 57 years. The above photo is a snapshopt of the coverage the club received, Stephanie Gracia-Hagen, the Club's President who spoke to KKCO Channel 11 News.

Good job Grand Junction!

Kiwanis Aktion

Another integral part of Kiwanis International is Aktion Club, which is composed of folks 18 years and older with any type of disability. The program is similar to any regular club meeting, but adapted to their own capabilities. Aktion Club members take fishing trips, raise funds through car washes, bowling, and community service projects such as bell ringing at Christmas time and providing food for the needy. Kiwanis gives these folks an opportunity to learn organizational skills, manage money, and build self-esteem. Lee Katz, pictured below has been an Aktion Club chair for the past 6 years. Thanks for your hard work Lee!

Trailer Coat Distribution

Broomfield North Metro Kiwanis had a trailer distribution event providing winter coats, hats and mittens to students and their families at a local high school.

International Convention

June 24-27 in Manila. If you are interested in going, please contact Kirstin edrmd@rmdkiwanis.org.

Colorado Feeding Kids

Kiwanis Clubs gather to put food kits together for Colorado Feeding Kids.
