What The Flock 2017 Mini Sampler Cowl

Materials Needed: One WTF Mini Sampler Set- 460 yards total; 16" circulars size 4, one stitch marker, waste cotton. A second circular-about a size 2-3 is needed to work the Kitchner st closure.

Gauge: 6.5 sts = 1" over st st

Size: 7" wide x 34" long

With waste cotton cast on 100 sts. Join and knit 2 rounds. Change to the working yarn. Work all 10 minis, to make it about 34" long.

Turn the cowl inside out and make sure the ties are all secure. Trim them to about 1" lengths. Turn the cowl back to the right side.

Remove the waste cotton and place the beginning sts on another circular needle.

Work the 2 sets of sts together using kitchener st.

Wet block to flatten and shape.
