School Information and News

Calendar of Events

The school's calendar is available online at: http://www.chestertonacademyoftheholyfamily.com/events We are working to make the calendar available entirely on Rediker so that you only have one place to log in for all school information including your student's academic progress, discipline/merit reports, class communications, school forms, and family directory!

Weekly Newsletter and Emails for Families

During the school year, we send a weekly newsletter to families via email. Please review it with your student weekly as it contains important information: http://www.chestertonacademyoftheholyfamily.com/weekly We have events and opportunities throughout the summer and will email families periodically about those.

The school also sends emails periodically on sports, the gala, upcoming events, admissions, and more.

School News Updates and Social Media for the General Public

The school also posts news and updates for the general public on our news page: http://www.chestertonacademyoftheholyfamily.com/news

We also have accounts on Instagram (**@chestertonacademyholyfamily**) and Facebook https://www.facebook.com/ChestertonAcademyofTheHolyFamily
