Prayer *for* Healing and Strength

Heavenly Father,

I come before You today
seeking Your healing hand.
You are the God of restoration,
and I trust in Your power to
make me whole—body, mind,
and spirit.

Renew my strength.
Remove every sickness, every
worry, every burden.
May Your peace replace my
pain and Your joy fill my soul.
I receive Your healing today,
in Jesus' name.

Amen.
