

## TSC MedBand PATIENT I.D. WRISTBANDS

TSC's Patient I.D. Wristbands meet healthcare identification requirements while providing a durable and comfortable solution to patient safety. These wristbands are designed for use in TSC's line of direct thermal printers and will ensure superior imaging and ease of application.

**Key Features:**

- Constructed of strong, latex-free, non-irritating material
- Resistant to abrasion, alcohol and mild cleansers
- Tamper-evident adhesive closure
- Economical, durable, and water-resistant
- Accommodates text, linear and 2D bar codes, photos and graphics
- Flat print area ensures ease of scanning
- Bar code wristbands improve operations efficiency, while preventing data entry and collection errors
- Lightweight and comfortable
- Available in colors
- In stock for immediate shipment

**TSC MedBands meet patient safety & regulatory guidelines**

- Joint Commission National Patient Safety goals
- American Health Association (AHA)
- Health Insurance Portability & Accountability Act (HIPPA)
- MR-SAFE... Safe in all MRI environments
