YOGA & MORE — MONDAY

C is for Cobra. D is for Downward Dog. E is for Elephant Pose! Yoga is all about connecting the body and the mind. We get our bodies moving with active songs, process art, learning games, and creative play—all designed to strengthen the core muscles, enhance motor planning skills, and help children recognize the mind-body connection. Through yoga experiences, your child learns academics as well as relaxation, breathing, and mindfulness. Namaste!

ACTIVITY #305103-01 $600

TEAM STEAM — TUESDAY

Calling all inventors, creators, builders, and designers! Join us as we work together to build awesome creations of our own design! Our builders engage in the full range of STEAM—science, technology, engineering, arts, and math. Through collaboration and experimentation, our young STEAM-gineers develop many important skills including communication, problems solving, reasoning, and teamwork. Our builders have a blast as they use Lego, recyclable materials, and many other exciting items to bring their visions to life.

ACTIVITY #305103-02 $600

ENRICHMENTS

GLENCOE JUNIOR KINDERGARTEN
& NURSERY SCHOOL

ENRICHMENTS

STORY STRETCHERS — WEDNESDAY

Stretch your child's reading skills through fun activities that focus on a different book each week. This class is specifically designed to reinforce important reading skills including comprehension, letter recognition, story-structure, and of course, the joy of reading! Books include Caldecott and Newberry winners, as well as many children's classics. Story exertions include science, art, cooking, and more—stretching each story to new heights. Children have the opportunity to author and illustrate their very own books!

ACTIVITY #305103-03 $600

AMAZING ARTISTS — THURSDAY

In this hands-on, interactive class, children discover how to be their own amazing artists! During their exploration of the multimedia world of art, they learn about famous artists and various techniques used to create masterpieces while expressing their ideas through the arts.

ACTIVITY #305103-04 $600

Registration Submissions: ***https://portal.glencoejuniorkindergarten.org/register***

Refund Policy
Full refunds will be issues if your child is enrolled in a class at the Takiff Center that conflicts with Enrichments and the drop request is submitted by **5:00 PM on Tuesday, December 8, 2026**. No refunds will be issues after this date or under other circumstances.

All refund requests must be made in writing to director@glencoejuniorkindergarten.org. You will receive an email confirmation once the drop is processed. GJK reserves the right to cancel, postpone, or combine Enrichment sessions due to insufficient enrollment. If a session is cancelled by GJK, a full refund will be issued.
